For your convenience, we have decided to help you a little with orientation in the city of Prague, where you are about to take an Erasmus+ training with us. So, if you happen not to be used to travelling or are about to visit Prague for the first time, do not worry about getting lost and profit out of our “directions handbook” prepared by ITC International for you!

The Václav Havel airport is located about 15 km/9 miles from the city centre. It takes approximately 25 – 30 minutes (40 minutes in heavy traffic) to reach the centre by taxi and about 30 minutes by public transport (bus + subway). The cheapest way to get to the city is by bus.

Bus:

1. Buy a ticket from the kiosk called Public Transport in both (Terminal 1, 2) arrivals halls or a ticket machine, next to the bus stop, for **32 CZK**
2. Take bus **119** or bus **AE** from Airport bus stop to **Nadráží Veleslavín** bus station. There you can transfer to Metro **Line A** or take tram **26**.

Note: Mark your ticket as soon as you get on the bus by slipping it into a yellow machine. If you fail to do so and an inspector catches you, you'll be fined.

Taxi: The best taxi service is provided by a taxi. Getting to the city centre will cost you around 800 CZK.

Prague has one of the best public transportation systems in Europe. The metro, trams and buses. To move around town, we recommend using public transport over driving or taking a taxi.

Note: Validate your ticket by slipping it into one of the yellow boxes in the tram or bus, as soon as you board. In the metro, validation boxes are located inside the stations before the stairs. After having changed the tram/bus, there is no need to validate it again. Be sure to keep it handy until it expires.

MONEY

The current exchange rate can be found at the official website of the Czech National Bank www.cnb.cz. For exchanging money, we do not recommend you city Exchange offices, they have very bad rates. Use only Banks or ATM. Sometimes you can pay also in Euro but we recommend you to always have CZK or pay by credit card.

Book your hotel well in advance because Prague gets very busy in summer. We have a good experience with some hotels, we would like to recommend you. In case you are looking for something else, look at www.hotel.cz.
